Based on the 2023 CRI Service Plan with VMS, the CRI Board of Directors held a Strategic Market Planning Session in June 2023 in partnership with Main Street America (MSA) and Virginia Main Street (VMS). The Strategic Market Planning Session defined our organization's transformation strategies with a focus on Family Friendly/Family Serving, to ensure CRI maintains a strong market-based understanding that informs the organization's project development and downtown vitality efforts. In partnership with MSA, VMS provided support to help CRI translate market data and community visioning into district-specific strategies that will spur transformative, measurable changes and guide our organization's work.

Vision

Culpeper Renaissance, Inc's vision for Culpeper is an Enjoyable, Vibrant, and Walkable Downtown that actively leverages its cultural assets to connect businesses with visitors and residents, and is **WELCOMING TO ALL.**

Mission

Culpeper Renaissance, Inc's purpose is to stimulate a growing and stable commercial center in downtown Culpeper by:

- Increasing the use of downtown as a destination for local residents and visitors
- Promoting and developing a diversified business mix
- Fostering residential opportunities in and near downtown
- Continuing to strengthen a unified and enduring sense of place

Downtown Connectivity Planning \$50,000 Small Area Plan (SmArP) Grant

CRI was awarded a \$50,000 Small Area Plan (SmArP) grant by the Virginia Department of Housing and Community Development and Virginia Main Street to fund the CRI Culpeper Downtown Connectivity Improvement Project. The final report was completed November 2025.

The Culpeper Small Area Plan was initiated through Virginia Main Street's SmArP (Small Area Plan) program, a competitive grant opportunity offered to select Main Street communities across the commonwealth. Culpeper Renaissance, Inc. (CRI) secured this grant to focus planning efforts on a targeted portion of the downtown district.

From the outset, the state authorized CRI to extend the study area beyond the traditional Main Street boundaries to include Heritage Park and its connection to the historic core through the new pedestrian bridge. This adjustment reflected the importance of considering the Farmers' Market relocation, the emerging role of Heritage Park as a public amenity, and the integration of surrounding areas such as Wausau Place, Commerce Street, and the Fishtown district along Culpeper Street. The Parks & Greenways Master Plan underscores this direction, noting "Heritage Park should evolve as a downtown gateway and civic destination, with trail and park linkages that enhance connectivity to surrounding districts."

The planning team was led by Arnett Muldrow & Associates in partnership with Mahan Rykiel Associates along with Community Design Solutions. A steering committee has guided the effort comprised of CRI, town officials, and a cross-section of stakeholders. Since March 2024, the process has advanced through an iterative cycle of site tours, roundtable discussions, and feedback sessions. Each step has refined the direction of the plan, positioning Culpeper to move from vision to implementation as the project reaches its conclusion in September 2025.

These early conversations not only shaped the direction of the Small Area Plan but also reinforced the community's commitment to balancing immediate, tactical improvements with long-term strategic investments.

The Culpeper Small Area Plan builds directly upon the Town's adopted strategies, taking the aspirations of past plans and moving them into a framework for implementation. The Strategic Vision Plan called for "a downtown planning framework that blends community input with phased implementation strategies." This Small Area Plan responds by translating that guidance into site-specific design concepts, phased improvements, and actionable recommendations.

The Parks & Greenways Master Plan envisioned Heritage Park as "a downtown gateway and civic destination." This document advances that vision by detailing pathways, shade structures, and the relocation of the Farmers' Market, ensuring that the park functions not only as open space but as a civic anchor. Similarly, the SS4A Plan urged "street reconfigurations that balance traffic movement with pedestrian safety." Those principles are now carried into the cross-sections, road diets, and intersection redesigns outlined here.

By aligning with the Historic District Handbook, this plan also ensures that façade improvements and adaptive reuse respect the integrity of Culpeper's historic architecture, while creative placemaking strategies bring energy to secondary corridors like Culpeper and East Streets. And by referencing the East Spencer Street Parking Plan, this work confirms that parking and circulation strategies are not being reinvented but coordinated with prior investments.

 - Public outdoor recreation is essential for the health and well-being of communities. It provides opportunities for physical activity, mental health benefits, and social interaction.

Place Making

• Art in Public Spaces Program

This program offers more than just bursts of color in the downtown district. It breathes life into blank walls, tell stories of our community pride, and gives Culpeper a heartbeat. Across the U.S. and around the world public art has become a tool for revitalizing neighborhoods, attracting visitors, and bringing people together. Areas with public murals see increased foot traffic, leading to higher local commerce and economic growth.

Power Box Mural

The mural “Blue Ridge Mountains” by Katrina Tines located on the power box on the 100 block of West Davis Street was damaged on the interior due to an electrical fire. A new box had to be placed in this location. However, we were able to salvage the box and place it in the E.B. Wood Community Park for the community to continue to enjoy.

“My mural box is representative of my favorite Culpeper view – the sun setting over the blue ridge mountains.” States Kat Tines.

The CCRI Design Committee announced that they are accepting proposals for the new power box with a mural to go up Spring 2026.

Wall Mural

“The Surveyor” by Tom and Kerri Mullany

The first mural of the CRI Public Art Program was completed on Friday, August 25, 2017. Located at on the wall at West Cameron and Main streets, “The Surveyor” features George Washington, the surveyor, in a larger-than-life form. The mural received a spruce up with a fresh coat of paint in June 2025. Murals that are worn and weathered shows signs of neglect. Refreshing these murals is crucial as it send a signal of care and investment to visitors and potential businesses and investors. CRI is committed to not only start programs such as the Art in Public Spaces but with the follow through of upkeep.

Culpeper Renaissance, Inc. Volunteer Appreciation Celebration

Volunteers are the cornerstone of our organization. It is only through the work of our volunteers that Culpeper Renaissance, Inc. (CRI) is able to fulfill our mission of enhancing, celebrating, and enriching Culpeper's Downtown and our community.

CRI celebrates and thanks our volunteers for their support during our annual Volunteer Appreciation Event. Their time, talents, and dedication make a tremendous difference in our community, and they are greatly appreciated.

Each year, CRI honors outstanding contributions through its Volunteer of the Year, Champion of the Year, and Partner of the Year awards. The Volunteer of the Year recognizes an individual who has demonstrated exceptional commitment and service, showcasing the spirit of volunteerism that drives CRI's mission. The Champion of the Year celebrates a dedicated advocate who has significantly advanced CRI's goals, inspiring others through their leadership and support. Meanwhile, the Partner of the Year acknowledges an organization or business that has forged a meaningful collaboration with CRI, enhancing its impact within the community. Together, these awards highlight the vital roles that individuals and organizations play in furthering CRI's vision and mission.

Edward Hanlin of The Frenchman's Corner, Received the CRI 2025 Champion of the Year! Edward's unwavering dedication to our community shines through his active participation in every downtown merchant-centered event. His enthusiastic promotion of downtown activities across social media platforms has significantly boosted our outreach. Always ready to lend a hand and support CRI, Edward exemplifies the spirit of volunteerism that inspires us all!

Mary Anne McGovern received the 2025 Volunteer of the Year Award. Her enthusiasm and energy have made a significant impact at nearly every event, where she brings joy and inspiration to both volunteers and attendees alike. Marry Ann goes above and beyond by generously donating items for the Kids Corner throughout the year, ensuring that every event is a memorable experience for our young participants. She spends countless hours behind the scenes prepping giveaways and more. CRI and fellow volunteers celebrated her incredible dedication and passion for our community!

CRI announced the Town of Culpeper Police Department as the CRI 2025 Partner of the Year! Their steadfast commitment to ensuring safety at all CRI events, often being the last to leave to guarantee the well-being of our staff, volunteers, and attendees, sets a remarkable standard. They play a crucial role in our Culpeper Downtown Halloween Trick-or-Treat event, promoting Halloween safety awareness in our community. Additionally, their dedicated staff members serve on the CRI Board of Directors and actively participate in event committees, consistently going above and beyond for the benefit of our community. The Culpeper Police Department is an invaluable partner to CRI.

CRI would like to extend our deepest gratitude to all of our volunteers, community partners and sponsors for their unwavering commitment and the countless hours they devote to our cause. Their passion and dedication have a profound impact on our community, and tonight was all about honoring your hard work and generosity. Thank you for joining us to celebrate not just your contributions, but the spirit of service that binds us all together. Thank you may never be enough, but please know your commitment truly makes a difference!

Testimonials

Without the efforts of its (CRI) staff and volunteers, it would definitely be more difficult for individual business owners to collectively draw visitors to the downtown area. -Edward H.

CRI has helped downtown businesses through their various activities. I believe this directly contributed to our best 1st Quarter Sales in our 7 years of being in business. -Deb F.

The organization plays a significant role in our business community and has proven to be a valuable partner in helping downtown business owners navigate numerous opportunities, including grants, advertising and business promotion through social media channels. - Kim K.

Their (CRI) dedication to organizing and hosting community events such as the Third Thursday Concert Series, the Holiday Tree Lighting Ceremony, the Spring Carnival, and many more, has played an instrumental role in creating a sense of togetherness and excitement within our town. -Tabatha F.

Every day, my customers comment on the fact that they are visiting our town because we have such a vibrant, active downtown community, which is a direct result of the work of CRI. -Kelsey S.

They (CRI) really does so much for the town and are significant to Culpeper. I personally would not know what to do without them. -Nathania V.

The CRI volunteers and staff are fostering, protecting and growing the community in ways that directly benefit town coffers through tourism, economic development, property taxes and more. -Jeffery M.
