1. SUMMARY AND BACKGROUND

Culpeper Renaissance, Inc. (CRI) is currently accepting proposals from local artists to research, design, and paint (if awarded) a mural on a downtown metal power box located on the 100 block of West Davis Street that carries a themed message that reflects the history and vibrancy of Culpeper.

The purpose of this Request for Proposal (RFP) is to solicit proposals from various candidate organizations; conduct a fair and extensive evaluation based on criteria listed herein and select the candidate who best represents the direction CRI wishes to go.

CRI is a 501c3 charitable organization charged with supporting the growth and revitalization of Culpeper's historic commercial district, the downtown. Culpeper is a Designated Virginia Main Street Community and CRI is the organization designated by the state and the Town of Culpeper to carry out the Main Street activities.

2. PROPOSAL GUIDELINES

This Request for Proposal represents the requirements for an open and competitive process. Proposals will be accepted until February 6, 2026. Any proposals received after this date and time will be returned to the sender. All proposals must be signed by an official agent or representative of the person/company submitting the proposal.

All costs, material and misc. costs will be the responsibility of the artist and should be included in the submitted proposal budget. Any misc. costs must be itemized to include an explanation of all fees and costs. The approved proposal will be reimbursed as outlined in the contract presented to the selected artist.

Contract terms and conditions will be negotiated upon selection of the winning bidder for this RFP. All contractual terms and conditions will be subject to review by the CRI Board of Directors and will include scope, budget, schedule, and other necessary items pertaining to the project.

3. PROJECT PURPOSE

The purpose of this project is as follows:

CRI would like to convert a power box within the downtown district into colorful inviting art that supports the collective goals of CRI, the town of Culpeper, the merchants as well as Culpeper's general population. In addition, this project will showcase the work of a local artist.

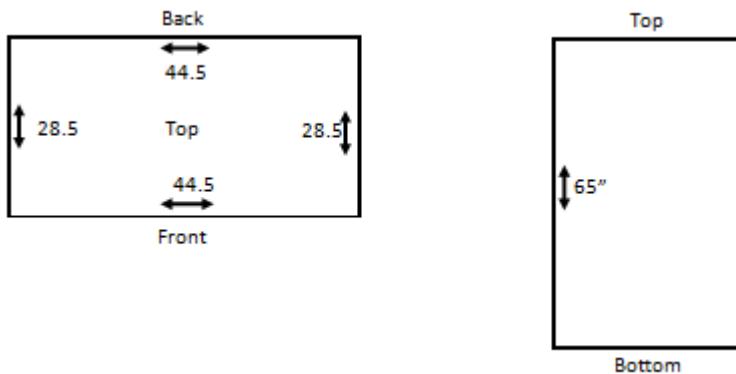

4. PROJECT SCOPE

The scope of this project includes all design and development of artwork and materials, CRI will assume responsibility of permissions and permitting.

- The selected bidder will be responsible for artwork and design with assistance from CRI. The following criteria must be met to achieve a successful project:
 - Visually and aesthetically pleasing
 - Consistency of design across all locations of murals
 - Creative design that incorporates a recognizable Culpeper theme. Mural designs for the power boxes located within the historic district (denoted in the power box location and dimensions section) must gain approval from ARB if colors are outside of the approved color chart (CRI will be responsible for this approval process).
 - Plan a detailed timeline, budget and perform to the plan.
 - Murals will be painted directly on the metal power boxes. Power boxes will need to be primed prior to painting and a clear protectant coat after painting (CRI will provide the clear coating).
