"WONDER" -LAYTON SCARBROUGH

WONDER depicts a young boy and a fox captivated by the soft glow of a butterfly against a nighttime backdrop. While the mural can hold a different meaning for each passerby, its original inspiration lies in the light within every child. The spark of creativity, imagination, and joy. With the right encouragement and environment, that spark can grow wings, opening the door to endless possibilities. That same light lives within each of us, no matter our age, and sometimes all it takes is a little wonder to reignite it.
